News from World Alzheimer's Day

Find out how World Alzheimer's Day will be marked at the University of Toronto.

From Faculty Leadership

We Need Actions, Not Words

Sandra was National Indigenous People Day — a time to celebrate, and a pivotal opportunity to reflect on the human rights violations that occurred in Canada.

Read her message from President & Vice-Principal: Academic.

Our Priorities

- Advancing Education & Research
- Include and Diversity
- Find Aid for the First Person
- Student Well-Being
- 2021/22 Report
