# Congressionally Directed Medical Research Programs - Funding Opportunities

September 10, 2021 • Reply to [Krista Montgomery](#)

US Department of Defense (DOD) Office of the Congressionally Directed Medical Research Programs (CDMRP) has released funding and pre-funding announcements for the following programs:

## Funding Announcements

### Reconstructive Transplant Research Program (RTRP)

- Advanced Technology Development Award
- Investigator-Initiated Research Award

### Traumatic Brain Injury and Psychological Health Research Program (TBIPHRP)

- Clinical Research Development Award
- Clinical Trial Award
- Focused Program Award
- Idea Development Award
- Investigator-Initiated Research Award
- Translational Research Award

Descriptions of each of the funding opportunities, eligibility, key mechanism elements, and funding can be found in the respective Program at <http://cdmrp.army.mil>

UofT campus based faculty should select Toronto, University of for the institution and indicate the appropriate Research Services Office contact (see below) as the Business Official in their pre-application in the eBRAP System.

[Krista Montgomery](#): for UofT Faculty appointed within Dalla Lana, Applied Sci & Eng, Dentistry, Kinesiology & PE, Nursing, Pharmacy, UTM, and Medicine (last names A-M only).

[Claudia Donnerhack](#): for UofT Faculty appointed Architecture, Arts & Science, Law, Rotman, Information, Social Work, OISE, UTSC, Music, and Medicine (last names N-Z only)

Applicants must also contact the Research Services Office at least 2 weeks in advance of the CDMRP deadline for full application. The internal deadline for all CDMRP full applications is 4 business days prior to the sponsor deadline.

*Distributed to: Vice Dean / Vice-Principal Research, Staff, Research Funding Opportunities, Health & Life Sciences, Faculty Research Facilitator, Faculty, Departmental Research Facilitator*
